NEW DECLARATION FOR PENDING PATENT APPLICATION

I, Oleg Sokolov

declare that I am citizen(s) of

USA

residing at

1-29 Beverbrook Rd, Danbury, CT. 06810

that on January 27, 1993 I filed application for patent Serial No. 08|009 982 in the United States Patent Office; that I verily believe that I am the original, first and sole inventor(s) of the improvement in

CELLULAR X-RAY GRID

described and claimed in the specification of said application for patent; that I do not know and do not believe that the same was ever known or used before my invention or discovery thereof, or patented or described in any printed publication in any country before my invention or discovery thereof, or more than one year prior to the date of said application, or in public use or on sale in the United States more than one year prior to the date of said application; that I have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to in the declaration; that said invention has not been patented or made the subject of an inventor's certificate before the date of said application in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to the date of said application; that I acknowledge a duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 CFR 1.56(a); and that no application for patent or inventor's certificate on said invention has been filed by or representatives or assigns in any country foreign to the United States, except as follows:

DISCLOSURE DOCUMENT NO.297111 OF 11|29|91

The undersigned petitioner(s) declare(s) further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Examiner: G. Church

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

Today is last day of fourth month after Final Action. At 11/08/94 was prepared Supplemental Amendmend after Advisory Action at 10/17/94, but it isn't send to you becouse my lawer Mr. Zboravsky is constantly in business trips. Unfortunately, second day I can't reach you by telephone to get your advise. I have to send the supplemental Amendmend with check \$55 today myself. Let me know please about formal procedure of doing it. my telephone (203)731-8409, fax (203)731-8451.

Respectfully submitted Oleg Sokolov
